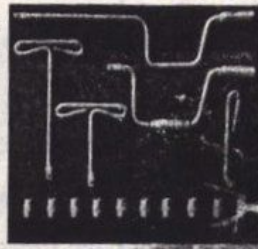
"Simply Wrenches that do the work"

5 Wrenches in place of 50

EDWARD WEIMER SALES CO.,
131 REED STREET

MILWAUKEE, - - WISCONSIN.

No. 45 Combination Garage S



This is a complete set for garage mechan and is practically an entire tool kit in wrenches and 10 hexagon sockets set the mechanic is equipped for most job. No need of having fifty ordinary socket wrenches when you use the No. 45 Snap-On set of five wrenches. Socket nose and handle made of one piece half-inch steel. There nothing to get out of order—sockets snap or off with ease and a friction ball holds sockets in place. Snap-On wrenches are a combination of all sizes and dimin the necessity of having many wrenches each of a different size.

Set contains—

- 1 Long Tee wrench.
- 1 Short Tee wrench.
- 1 Speed wrench.
- 1 Rim or Brace wrench.
- 1 Offset wrench.
- 10 Sockets, 1 each—7-16 in. 5-16 in., 19-32 in., 5-8 in., 11-16 in. 25-32 in., 13-16 in., ⅞ in.

No. 45-Set packed in fibre container - Each $[illegible]00

Individual wrenches or sockets in this set may be ordered as wanted.

No. 15 Combination Wrench Set

This is a small but handy set for automobile, motorcycle, etc. A combination of twelve wrenches is obtained by using this set.

Set contains:

1 Tee and Offset handle.
1 5-in Extension bar.
6 Hexagon sockets, 1 each—7-16 in., [illegible] in., 9-16 in., ⅝ in., 11-16 in., 3-4 in.

No. 15-Set packed in fibre tool box - Each $3.50

No. 60 Combination Speeder Set

This set contains one long speed wrench and the Snap-On all steel hardened sockets. This type wrench is used by practically all garage and is very popular owing to the speed obtained in taking down and assembling motor cars, trucks, tractors, etc. Also useful for dismantling all kinds of machinery. Speed wrenches are indispensable in any garage or repair shop. Socket sizes are from 7-16 to ⅞ in.

No. 60-Set packed in fibre container - Each $4.7

SNAP-ON WRENCH CO. INC., Milwaukee U. S. A.

No. 30 Combination Wrench Set

No. 30 set contains—

1 Rim or Brace wrench.
1 5-in. Extension bar.
1 10-in. Extension bar.
1 Tee and Offset handle.
10 Sockets from 7/16 to ⅞ in.

This set is very popular with the car owner or for garage or machine shop use as a combination of fifty wrenches can be obtained. The tee and offset handle used with sockets will make ten offset wrenches. Same handle used in connection with 5 or 10-in. extension bar will make ten short tee wrenches or ten long tee wrenches. Rim wrench used with socket will make ten rim or brace wrenches and can also be used as short speeders. Brace wrenches in connection with 10-in. bar will make a long speeder.

No. 30—Set packed in finished tool box..... Each $10.00

Snap-On wrenches are different and mark a distinctive step forward in wrench-making. Their great strength, simplicity, finish, and general superiority are distinctive features of the Snap-On line. They are a new practical type of wrench to serve any particular assembling or repair need. Snap-On wrenches are also adapted for work on farm machinery and implements.

SNAP-ON WRENCH CO. INC., Milwaukee, U. S. A.

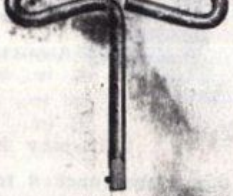
No. 3 Long Tee Handle Wrench

An unusually husky wrench (12 inches long) for general service use. Handle is made of one piece ½-inch steel. Handle grip permits powerful leverage and complete turn of the nut. Socket nose takes all size sockets, making this a many in one wrench. Sockets snap on or off with ease and a friction ball holds socket in place.

No. 3—Long Tee.....Each $1.00
Packed ten in a carton.

No. 2 Short Tee Handle Wrench



Similar to a long tee wrench except in length. This wrench also takes all size sockets and gives a wide need of more than one range of jobs without the wrench.

No. 2—Short Tee.....Each $0.95
Packed ten in a carton.

STANDARD PACKAGES

All wrenches and parts packed 10 to a package. Please order in unit packages.
Snap-On Wrenches are finished in nickled rust-proof finish.
